SIDNEY TRIMS THE TILlicUMS

At the Royal Athletic Park, Victoria, Monday evening, Sidney took the long end of a 2-1 score in a great battle with the Tillicums in a Senior Baseball League encounter, Syl Williams pitching one of the greatest games of his career.

The score stood 2-0 when the last half of the ninth started and the Tillicums used two pinch hitters to produce one run and then the rally was snuffed out.

Cann, on the mound for the Tillicums, twirled wonderful ball also and struck out the same number of men as Williams—eight.

No scoring took place until the fifth inning when Darbyshire, the happy-go-lucky boy, chalked up a counter. Again in the seventh Darbyshire was homesteading on a sack when "Syl" Williams smacked the old horsehide for a nifty bingle and Ken Darbyshire streaked it for home.

Tillicums threatened in the third, but after loading the cushions with but one out Syl caused the next two batters to almost break their backs swinging at them.

In the eighth Sidney had the bases loaded with two down and Cann then hypnotized young Jackson and had him swinging at so many they called it three out.

In the ninth Cann made it one, two, three—right in a row.

Tillicums coming to the bat in the ninth made a desperate effort to chase across at least two runs. Whitehead, the first man up, swung wickedly at three of Syl's choice offerings but failed to come in contact. Cann, in an effort to start something, got a single. Ezart, a pinch hitter, got in the way of a twister and received transportation to the first station, then Doherty connected for a single, filling every available stopping place on the diamond. Another pinch hitter was brought to the plate to do his stuff—and he did, scoring Cann. Ezart evidently thought he should be in on the count also and was burning up the baseline for home but was snuffed out at the plate. Hilton then came forth to save the bacon but was out on a grounder.

The teams lined up as follows:—Tillicums—Craig ss, Al Dunnett lf, McLaren rf, Hilton c, Steele lb, R. Dunnett 3b, Love 2b, Barr cf, Cann p, Green 1b, Whitehead cf, Doherty lf, Ezart, xBarnes.

*Batted for Craig in ninth. xBatted for McLaren in ninth. Sidney—Lines c, Simpson ss, Brown 1b, Quance 2b, Steele lf, Jackson rf, Darbyshire cf, Williams p, Brousseau 3b.

Liberal Meeting

The monthly meeting of the North Saanich Liberal Association was held on Friday, May 31st, in Matthews' Hall.

The outstanding item of interest for the meeting was the selection of delegates to the nominating convention at Duncan Wednesday, June 5th, also delegates for the annual meeting of the Nanaimo Federal riding to be held on the same date at Duncan. A full delegation from North Saanich will be present and from communication received from the secretary of the Salt Spring Island Liberal Association, there will be a full representation from that part of the Islands constituency. The other Islands also will be represented. Two automobiles are going up from Sidney and North Saanich.

Lumber Co. Buys Corner

Again the Sidney Lumber Co. Ltd. has to expand to cope with their ever increasing business. They have just purchased the southeast corner of Second Street and Sidney Avenue, on which is situated an old landmark—the large green three-story house on the west end of the lot. A new storage shed is to be built on the property, extending from the corner to the house and will be approximately 90 feet in length and 65 feet wide as the proposed shed will extend to the driveway of the Sidney Lumber Co.'s adjoining property to the south. It is planned to complete the storage shed by the end of October.

TO EXTEND SORTING TABLE
In the mill yard proper plans are underway to extend the sorting table and in order to do this two storage sheds will be wrecked and the contents of same are being offered to the public at real bargain prices providing the material is taken away before the 15th of this month—particulars of which appear in their ad. on page two.

MAY BUILD COTTAGES
The Sidney Lumber Co. also has a plan just about figured out whereby several cottages may be constructed on their property on the waterfront lots they own on Third Street between James Rankin's and Dr. Emerson's residences.

Garden Fete Success

SAANICHTON, June 6.—An unusually attractive program was given during the afternoon and evening at the garden fete held in the Agricultural Society's grounds at Saanichton under the auspices of the Ladies' Aid and Young People's Society of the United Church on Saturday.

Love, violin solos; Miss Beth Simpson, solo; Sidney School Choir (under the direction of Miss Peck); songs; Miss Marjorie Watson and Miss Beth Simpson, duet; Girls of Royal Oak School (under the direction of Miss Macnab), national dances; four girls of Royal Oak School, Japanese dance.

A number of attractive stalls were placed under the shade trees, these were in charge of the following:

Candy and ice cream—Miss Alma and Ida Hoyer and Miss Sadie Patterson.

Hat dogs—Roy Hoyer, Albert and George Hafer.

Arrangements for the afternoon were in the hands of Mrs. Macnab and Mrs. Roland.

Stuart Stoddart and his Wolf Cubs gave great assistance in arranging and placing the stalls.

Transportation, parking and gate-keeping—Rev. M. W. Lee, D. H. Hoyer and Nat. Gray.

A very useful sum was realized and will be used to extend and improve the church parlor for club purposes.

On Tuesday, July 2nd, under the auspices of the Sidney Young People's Society, on the old school tennis court grounds on Third Street, between James Rankin's and Dr. Emerson's residences, a "Young Circus" is to be open at 6 p.m. and a lively time will be spent, no doubt, by all attending.

SIDNEY LOCALS AND PERSONALS

Mrs. Robertson and Mrs. Armstrong of Vancouver are visiting with relatives, Mr. and Mrs. J. E. McNeil, in Sidney, this week.

Mrs. E. W. Cowell and daughter, Mona, and little niece, Gracie, are visiting in Vancouver and are the guests of relatives.

The home of Mr. and Mrs. Percy Beale was entirely destroyed by fire on Friday last. None of the family were present and the fire made rapid

headway before it attracted attention. The building was burned to the ground in a very short time, making salvage of contents impossible.

The Review has received a great many inquiries as to when the baseball games will commence on the diamond at the Memorial Park. The present condition of the grounds is by no means satisfactory to play on but we understand the big roller is to be used shortly to flatten out the bumps—and there are many of them. The sooner the ball field is put into shape the better. Let those proposing to do something look alive before the season is half over!

Miss Gladys Barlow of Victoria spent the weekend in Sidney at the home of her sister, Mrs. LeVack, The Orchard.

Mrs. J. Gilman and Miss Edith Gilman left on Monday for an extended visit on the mainland.

A number of the local pupils took part in the recital given last Monday by Mrs. Bridges in the Amphin Hall, Victoria.

Practice has already commenced in the new ladies' softball teams, Sidney under the management of H. J. McIntyre and North Saanich under J. A. Nunn. The first game is to be played next week if arrangements can be made.

The regular meeting of the Young People's Society was held in Wesley Hall on Tuesday evening with a fairly good attendance. The "Circus" which is to be held on Tuesday, July 9th, on the old tennis court between Third and Fourth Streets and the homes of the McIntyres and Williams, was the main item of discussion. Committees were appointed and details arranged. Work commenced on the grounds this week.

Golf Club Notes

The ladies' monthly medal competition resulted in four competitors having the same best score: Mrs. Pownall, Mrs. Witherby, Mrs. McIlraith and Miss Carmen Macdowall. The prize was to be five balls and after much deliberation it was agreed each of them should play another round for the fifth ball. Mrs. Witherby proved the winner, turning in the best score she has ever made.

At a meeting of the ladies of the North Saanich Golf Club Mrs. Sisson was elected captain and Mrs. McIlraith vice-captain.

The men's monthly medal competition will be played on the 8th and 9th of June.

Park Funds Benefit

The sum of \$18.00 was realized at the silver tea given by the Sidney Bakery on Thursday afternoon last at the bake-shop.

The tea was given in order that the residents of the North Saanich district might see for themselves what an up-to-date bake-shop they have in their midst. New machinery has recently been installed, which was duly demonstrated and the building has been enlarged to make more room for improvements, etc., and to keep in line with increased business. Tea was served from 3 until 6 in the dining-room, and many bake-shop dainties were enjoyed by the guests.

Members of the War Memorial Park Committee extend their appreciation and thanks to Mr. and Mrs. Rankin for their kindness in donating

park funds.

Service Club Loses, 8-6

Over 200 fans enjoyed the Softball League game played last Monday evening at the North Saanich School grounds between the Plimley & Ritchie and the North Saanich Service Club teams. It was very disappointing to see the boys lose 8 to 6 through a sequence of errors in the fourth and eighth sessions, for unquestionably they have one of the best teams (measured from their steady improvement since the beginning of the season). Yes, boys! they'll ring the bell yet!

The games are becoming very popular as evidenced by the large crowd that turns out to witness the contests and the snappy decisions of Referee E. Stocks, secretary of the league, with his intimate knowledge of the game, gives pleasure to both players and fans.

Next Monday a game will again be played on the North Saanich School grounds between Service Club and the H.M.C.N. of Vancouver, commencing at 6.15 p.m. sharp, and everyone is very welcome indeed to witness the game.

I.O.D.E. Dance

The dance given annually by the Allie's Chapter, I.O.D.E., in honour of the King's birthday, will be held this year on June 7th (tomorrow night) in the Deep Cove Social Club Hall. Ozard's popular orchestra will supply the music and refreshments will be served. Arrangements are now completed and a good time is promised all who attend.

New Summer Resort

By Review Representative

FULFORD HARBOUR, June 6.—A charming new summer resort has recently been opened up at Stowe Lake Lodge on the property of Mr. and Mrs. Albert Emsley, situated on the Beaver Point Road about a mile and a half from Fulford Harbour wharf. Several comfortable cottages overlooking the lake, fully furnished and equipped with every convenience have been erected and fresh vegetables, cream, milk, etc., may be purchased at the farm within the near vicinity at reasonable prices. There is an excellent supply of mountain spring water, fine boating, fishing, hunting, hunting, etc. — in short it is an ideal place to spend the holidays.

Reopening Services

A splendid congregation gathered in the old North Saanich Church at the corner of School Cross Road and the East Saanich Road on Sunday afternoon last for the first reopening service of the church as a branch of the United Church of Canada.

The faces of many old timers who had been associated with the church in by gone years were noticed in the gathering. Many memories of the past were revived; and many were the incidents and associations of past years which could be heard being recalled in the general conversation. The Rev. Dr. Sippell gave an instructive and inspiring sermon on the "Church's Purpose." Mrs. W. H. Wilson of Victoria, rendered two delightful sacred solos.

Next Sunday the reopening services will be continued when the Rev. Thos. Keyworth, of Victoria, secretary of the Victoria Presbytery, will preach at 2 p.m. Mr. Keyworth was associated with this church many years ago. Music will be rendered by visiting soloists.

LT. GOVERNOR VISITS GALIANO

On Wednesday of last week — to the melodious strains of Eaton's far-famed three-piece orchestra, to the cheers of the assembled hundreds on Galiano Wharf His Honour and Miss Mackenzie stepped ashore from the elegant launch "Lochaber No More," a smart trim yacht lent for the occasion.

To the cheers and music ashore must be added the plaudits and "Banzais" from a multitude of Japanese fishing men who had brought their craft and crews to join in the hearty welcome tendered to the King's representative in British Columbia.

His Honour was received at the wharf by the president, vice-president, councillors and members of the Galiano Island Betterment Association, an aggregation of public-spirited residents devoted to the development of the island roads and public buildings.

After a modest address of welcome had been read by Vice-Admiral Secones His Honour, with regal promptness, inspected the Galiano Sea Scouts and Girl Guides — both juvenile organizations present not only to welcome His Honour but to provide guides to and from the Bluffs — a well-known and historic site abutting on the famous Plumper's Pass.

Passing beneath an arch of welcome His Honour and Miss Mackenzie arrived at the Post Office where

Postmaster New and his efficient staff.

From the Post Office His Honour was taken by motor-car along the scenic highway bordering upon the Bay of Whales; from whence one can discern, and also admire, the capes, bays and landfalls of Gossip Island.

Reaching the Galiano Hall and Institute His Honour, after a brief ceremony by the chief architect, declared the newly erected building open for business and pleasure. His Honour then inspected the large and beautiful grounds adjacent to the hall which have been so tastefully laid out by the lady members of the Galiano League of Mercy.

The subsequent luncheon at the newly erected Farm House Inn was an unqualified success. A luncheon of venison specially procured for the occasion formed the staple fare washed down by generous draughts of Galiano Oider manufactured on the Inn premises.

After lunch His Honour was taken to the Bluffs and the day being fine, obtained a marvellous view of Cedar Hill, Discovery Island, Ten Mile Point and Trial Island.

The Galiano Island Sea Scouts then took His Honour in their large "Lochaber No More" to Gossip Island where the musical party partook of tea and champagne.

The Gossip Island Hotel with its unique view of the Straits of Georgia and the American shore was much admired by the Government House party.

The viceregal party returned to Victoria having much enjoyed the island scenery and professing a hearty intention to return on some future date which had converted Galiano Island from an ordinary island to a centre of commerce and tourist activity.

Tennis Club Military '500' Much Enjoyed

The military 500 drive held in Matthews' Hall on Thursday last by the Sidney Tennis Club for the purpose of raising funds for the proposed building of tennis courts, proved a great success.

Play commenced promptly at 8.30 and keen competition for 20 hands resulted in first prize going to Mrs. J. Gilman and Mrs. Charlesbois, they being presented with lovely hand-emblazoned centres, and Mr. A. Calvert received a smoking set, and Mr. McLean cards. Second prizes were awarded to Mrs. Devonson, Mr. Cochran, Mr. B. Readings and Mr. S. McDonald. All the prizes for the occasion had been donated.

At the close of the cards refreshments were served at tables and a social time enjoyed, after which the floor was cleared and dancing indulged in to music supplied by Mrs. H. North and Mr. R. Boswell.

The members wish to thank all those who so kindly helped on this occasion.

On Friday, June 21st, the club is holding a beach picnic at the Chalet after the usual tennis.

The date of July 13th, which was set for the club's dance, has been changed to the 12th in order to obtain a good orchestra for the evening.

Poultry House Burns

The chicken house and about 300 chickens belonging to Mr. and Mrs. J. H. Smethurst, at Bazan Bay, on the East Saanich Road, were completely destroyed by fire which occurred between the hours of 9 and 10 on Tuesday night. Neighbors and friends rushed to render assistance but the fire had gained too much headway and very little could be done to save the building, however, it was necessary for workers to keep the fire from spreading to surrounding buildings.

Only two small children were home when the fire started, the older members of the family being absent at the time.

The fire is believed to have started from an explosion in the coal

Trolley mishap put 190 telephones out of order

When a trolley pole leaped from the wire at the corner of Fraser Avenue and Marine Drive, Vancouver, on May 21, it came in contact with the B.C. Telephone Company's 100-pair aerial cable at that point, burning a stretch of cable 500 feet in length and putting 190 telephones out of order.

Telephone men were speedily on the scene. It took two days to complete the repair work, but 130 of the telephones affected were back in service by nightfall of the same day.

TROOP

At the meeting last Saturday, Fred McLean made his Scout Promise and was enrolled as a member of the Troop.
At 7 o'clock we all went to Saanichton, the Troop there had a coconut shie and other stunts at the Garden Fete held by the United Church. We all had a good time and want to thank Mr. Fyke and Rev. Lees for lending their cars to transport us there and back.

Necessary improvements to our hall are under way and as funds permit we hope to make a good looking place out of it.

PACK
Raymond Byers was invested as a Second Star Cub. Three years ago this month Raymond joined the Pack and is now 12 years old, and will go on up into the Troop shortly.

GUIDES and BROWNIES

BROWNIES

The Brownies met on Tuesday with a full attendance, and being a warm day nothing very active was done. Audrey LeVack was enrolled having won her first Brownie pin. Six First Class girls went to Mrs. LeVack to be examined for the House Orderly Badge. The Second Class learnt the eight points of the compass and were instructed in knitting and the National Anthem. The Recruits talked of various things in the sea, seeing who could get the longest list of fish, shells, etc., obtained there — it is later hoped that we may be able to have a display of all things pertaining to the sea.

The Guide Company did not meet this week, June 3rd being a holiday. A woodshed is being added to our hall, also other outside improvements.

TIT - BITS from the NORTH SAANICH SERVICE CLUB

Military 500 was the feature for the evening of Saturday last at the North Saanich Service Club when table No. 4, Mr. and Mrs. MacAulay, Mr. Fralick and Miss Bawden won first prize. Table 5, Mr. and Mrs. Ricketts, Mr. Sansbury and Mr. B. Copithorne took second. Consolation, table 2, Mrs. and Miss Partridge, Mr. Peter Ricketts and Mr. A. Cremers. After supper the young people danced and the has-beens played crib.

SOFTBALL OUTBURSTS!
Why doesn't the shortstop peg the ball to first and not try to hatch it? Why not 'lasso' Father Scheelen when he gets so excited with bases full?

Throw the ball to the base, don't nurse it!
Don't wait to see if the baseman has gone home, throw the ball, he'll be there!

When the ball is fielded why not one man to call the throw and not nine players and 90 fans?

When George Lloyd gets excited he should keep his hands out of the other chap's eye!

Where Sidney Scores

Mr. Lewis Block, of Port Angeles, president of Pacific Paper Mills, Ocean Falls, left Port Angeles by private launch to catch the 1.45 Princess Kathleen, Victoria to Vancouver, last Saturday. He missed it. Mr. Appleyard, B.C. Coast S.S., phoned the Sidney Trading Co. to secure a launch, he wired the Princess Kathleen to stop off Sidney, a fast taxi drove Mr. Block to Sidney, Capt. Peterson was waiting in his launch and they layed off Sidney Island, awaiting the Princess Kathleen, which stopped and picked up Mr. Block.
